

A detailed black and white line drawing of an orchid branch. The branch curves from the bottom left towards the top right. It features several large, open flowers with prominent veining and dark spots on the petals. There are also several buds and smaller flowers along the stem.

A Walk in the Garden
Marin Ballet's annual benefit for need-based scholarship

Stroll the gardens and enjoy an afternoon of music, art, flowers, fine food and wines, amidst dancers in costumed tableaux and the wonderful company of family and friends.

Sunday..... May 15, 2011

*3:00 pm to 6:00 pm
within the historic landscape of
Dominican University in San Rafael*

With your generous support, Marin Ballet provides over \$80,000 in annual need-based scholarships to children of all ages. We are proud to continue our 48-year tradition of dance education.
