

Thank you to our 2009/10 Donors

Each Gift of Participation Benefits our MB Community

It is with the committed support of the hundreds of families, friends, foundations, sponsors, and volunteers listed herein, that Marin Ballet is able to establish the vision we hold each year for Annual Fund, Nutcracker Sponsorship, fundraising events, scholarships, and performance. Marin Ballet is an organization with many needs, and many opportunities for donors to participate. We are truly thankful to all of you who help Marin Ballet achieve its mission to provide excellent dance training and education, and to promote the art of dance. Thank you so much for your contributions to Marin Ballet in 2009/2010!

Volunteers are Giving in Action

Over 250 People Donating Time, Skills & Expertise

Marin Ballet, like all non-profit organizations, relies on the generosity of our families and friends to help support the training we provide. There are many ways to give to an organization, one of the most important being the gift of time. Marin Ballet is truly grateful for the ongoing support of so many volunteers who have contributed their time and talents to assist us in the past year. Special thanks to those Key Volunteers (noted in bold) who chose to take on leadership roles. To all of our incredible volunteers.....Thank You so very much! You are an extraordinary part of the Marin Ballet community!
